### **What's a good low cost metal vertical bandsaw**

There no such thing as a good cheap metal cutting band saw. I bought a \$200 horizontal saw for my farm shop years ago. It is junk but it will cut metal in two pieces, most of the time. It will not cut straight, no matte what you do. For what it is used for, it does not matter. I made the mistake of buying a Jet for about \$900.
