RELATED BOOK :

How Children Succeed Paul Tough

How Children Succeed introduces us to a new generation of researchers and educators who, for the first time, are using the tools of science to peel back the mysteries of character. Through their stories and the stories of the children they are trying to help Tough traces the links between childhood stress and life success.

How Children Succeed Grit Curiosity and the Hidden

Why do some children succeed while others fail? The story we usually tell about childhood and success is the one about intelligence: Success comes to those who score highest on tests, from preschool admissions to SATs. But in "How Children Succeed," Paul Tough argues for a very different understanding of what makes a successful child.

How Children Succeed The Ford Family Foundation

How Children Succeed: Grit, Curiosity, and the Hidden Power of Character. Review by Rebecca Rodet The idea is that one of the most important ways children & young adults alike succeed in life is by mastering certain character traits. Like perseverance, self-control, and most importantly general conscientiousness of self.
