Business Model Canvas Wikipedia

Business Model Canvas is a strategic management and lean startup template for developing new or documenting existing business models. It is a visual chart with elements describing a firm's or product's value proposition, infrastructure, customers, and finances. It assists firms in aligning their activities by illustrating potential trade-offs.

Business Model Innovation Opportunities and Barriers

My work with Richard Rosenbloom has noted a different, cognitive barrier to business model experimentation not found in either Amit and Zott or Christensen, arguing that the success of established business models strongly influence the information that subsequently gets routed into or filtered out of corporate decision processes.
