Timeline of the far future Wikipedia

While the future can never be predicted with absolute certainty, present understanding in various scientific fields allows for the prediction of some far-future events, if only in the broadest outline. These fields include astrophysics, which has revealed how planets and stars form, interact, and die; particle physics, which has revealed how matter behaves at the smallest scales; evolutionary

Happy New Year!! The family and I just returned from a week of much needed R&R away and I excited to get started on some new renders. In the meantime here are some alternate versions of "Recontainment" that I let my machines render while we were away. I'm not sure any of them exceed the first (they all have their merits) so I'll leave them in the Pickle Jar for the time being.
