### **What Really Happened in Peru SPOILERS Thoughts on this**

I really, really disliked it. I think maybe I just set my hopes to high, but in a word, this book was boring. Plain, old boring. There was no action or involvement of the reader, and in the end- we didn't even find out what happened in Peru! Doesn't that seem to completely contradict the title of this book? \*sigh\* The disappointments

in life.
