Centaur Aisle (or is it Isle) is an intelligent and fun book to read. Anthony has perfected the art of homonym confusion and has made me intimidated of spelling bees(the kind that buzz) for life! The book revolves around Bink's son, Dor, and his quest to rescue King Trent from a dungeon in Mundania though his struggle with Irene's sex appeal also dominates the narrative.

### **Centaur Aisle Xanth 4 by Piers Anthony Goodreads**

Centaur Aisle begins with the main character, Dor, age 16 reading and writing like an 8 year old. Granted this I read the first two Xanth books back when I was a kid and thought them pure delight. Unfortunately, they do not hold up to the less forgiving scrutiny of an adult and this Xanth novel is particularly bad in that respect.
