How is art related to logical thinking Quora

Art and logic are inextricably related. Before we knew what it was or how to use it there was always the ability of observation. In graphic arts, the logical thinking part of your brain s involuntary reflex is to make sense of the art your looking at.

Chess The Art of Logical Thinking From the First Move to

So far in the category of move-by-move type chess books this is the most instructive. Of course I enjoyed "Logical Chess" but the comments GM McDonald wrote are more interesting, and more aligned with modern thinking about chess.
