### **Amazon com Scorched Scorched series 9781402292279**

Scorched is definitely a break through from her main characters in her previous books on the maturity level. Add a dragon to this and I'm hooked. I am only giving Scorched 3-4 stars because, being a native Texan myself, I picked up on some lingo that's not actually southern when Trinity-the main character-is suppose to be from Texas.

### **Scorch Croak 2 Share book recommendations with your**

The follow up to March's first installment in the Croak series, CROAK, is that rare second book that is like most middle-books in trilogies, a bridge from setup to finale, but also manages to improve on the first book. I can now safely say that CROAK and SCORCH are two of my favorite books from 2012.
