I will caution those who seek out Exit Strategy- this may not be what you are expecting from a book about an assassin. However, I still liked it regardless. Is it nonstop action, chases, and adventure? No, it is not. What it does have is a complex main character, Nadia Stafford (or Dee, as her hitwoman name).

Exit Strategy The Murderbot Diaries 4 by Martha Wells

Exit Strategy by Martha Wells is book 4 in the series. I read the first one but have listened to the rest. Since book one, I picture the unisex murderbot more female than male but in book two it seems more male. Either way, it is certainly has more humanity than most humans.
