SAT Wikipedia

The SAT is typically taken by high school juniors and seniors. The College Board states that the SAT measures literacy, numeracy and writing skills that are needed for academic success in college. They state that the SAT assesses how well the test takers analyze and solve problems skills they learned in school that they will need in college [citation needed].

The SAT Suite of Assessments The College Board

SAT Practice Test Answer Sheet. Download and print this answer sheet to take the full-length practice test. It will look a little different from the one you'll use when you take the official SAT, but the rules are the same: use a No. 2 pencil, completely fill in circles, and track your place so you won't get tripped up if you skip a question.
