Legal release Wikipedia

A legal release is a legal instrument that acts to terminate any legal liability between the releasor and the releasee(s), signed by the releasor. A release may also be made orally in some circumstances. Releases are routinely used by photographers, in film production, by documentary filmmakers, or by radio and music producers when they photograph, film, video or record the voice or

Remote Shutter Release Versus the Built In 2 Second Timer

A remote shutter is something you may have heard repeatedly that you need to purchase, especially if you're into landscape photography. One of the main uses of a remote shutter is to minimize the vibration when taking a image to get a sharper result. What you also may know is that your camera has a delayed shutter function, typically of 2 and 10 seconds.
