

## **THE UNDEAD IN MY BED**

## RELATED BOOK :

### **Undead Wikipedia**

The undead are beings in mythology, legend, or fiction that are deceased but behave as if they were alive. A common example of an undead being is a corpse reanimated by supernatural forces, by the application of either the deceased's own life force or that of another being (such as a demon).. The undead may be incorporeal like ghosts, or corporeal like vampires and zombies.
