Financial adviser Wikipedia

A financial adviser is a professional who suggests and renders financial services to clients based on their financial situation. In many countries financial advisers have to complete specific training and hold a license to provide advice. In the United States for example a financial adviser carries a Series 65 or 66 license and according to the U.S. Financial Industry Regulatory Authority

Adviser Wikipedia

An adviser or advisor is normally a person with more and deeper knowledge in a specific area and usually also includes persons with cross-functional and multidisciplinary expertise. An adviser's role is that of a mentor or guide and differs categorically from that of a task-specific consultant. An adviser is typically part of the leadership, whereas consultants fulfill functional roles.
