### **The Force Unleashed by Sean Williams Goodreads**

Star Wars: The Force Unleashed is based on a video game of the same name. Most of the time, when I hear about a book based on a video game, I would cringe. Personally, I think that most of the time publishers are out to make an extra buck on a product.

### **Star Wars The Force Unleashed book by Sean Williams**

The interaction of the characters with one another are actually human. Of course, there are aliens because it is Star Wars based and there is the force and whatnot. It isn't completely over the top like some Star Wars books. The climax is set precisely at the end of the book, plenty of unexpected plot twists.
