Franchise Philippines Franchising Information in the

Most of the articles about franchising business were about teaching the franchisee on how to apply, story about the successful franchisee, and so on. However, I haven't read an article dealing with the basic legal aspects of running the business. One essential information in business is knowing the law and how to apply it to avoid problems upon running a business.

Franchising Wikipedia

Franchising is based on a marketing concept which can be adopted by an organization as a strategy for business expansion. Where implemented, a franchiser licenses its know-how, procedures, intellectual property, use of its business model, brand, and rights to sell its branded products and services to a franchisee. In return the franchisee pays certain fees and agrees to comply with certain
