The 5 Love Languages of Children Gary Chapman Ross

It has been at least ten years since I read The Five Love Languages; however, I didn't find The Five Love Languages of Children to be too terribly different. The love languages (Words of Affirmation, Physical Touch, Quality Time, Acts of Service, and Gifts) are the same.

The 5 Love Languages of Children by Gary Chapman Ross

Most Helpful Customer Reviews. The 5 Love Languages of Children is geared for children above age five. My child is only two which is a bit young for her love language to be obvious. The authors say five is usually the minimum age before a child's love language can be determined as it's prone to fluctuate in the early years.

Love Language The 5 Love Languages of Children iMom

For children who understand this love language, physical touch will communicate love more deeply than will the words, I love you, or giving a present, fixing a bicycle, or spending time with them. Of course, they receive love in all the languages, but for them, the one with the clearest and loudest voice is physical touch.
