### **The God Delusion Richard Dawkins amazon com**

The God Delusion makes a compelling case that belief in God is not just wrong but potentially deadly. It also offers exhilarating insight into the advantages of atheism to the individual and society, not the least of which is a clearer, truer appreciation of the universe's wonders than any faith could ever muster.

The Dawkins Delusion? promises counter-arguments to those presented by Richard Dawkins in The God Delusion, but unfortunately fails. Instead of a comeback volume designed to dispute Dawkins' massively popular book, we get just-over-a-100 pages of rants that strangely read like a negative review of the God Delusion.

### **Dawkins' Delusion Reasonable Faith**

Richard Dawkins has emerged as the enfant terrible of the movement known as the New Atheism. His best-selling book *The God Delusion* has become the literary centerpiece of that movement. In it Dawkins aims to show that belief in God is a delusion, that is to say, "a false belief or impression," or worse, "a persistent false belief held in the face of strong contradictory evidence."
