of their prince, than new ones. The reason is that in such states it is sufficient only for the prince to maintain the customs of those who ruled before him, and to deal carefully with circumstances as they arise. In this way a prince of average powers can maintain himself in his state unless he loses it by some extraordinary and excessive force.

### **The prince of the people Machiavelli was no**

Machiavelli teaches readers of The Prince to be able not to be good by showing them that practices and attitudes thought to be virtuous in private individuals have deleterious results for public officials. Liberality was praised by ancient moralists, and generosity or charity has been praised by Christians (and others) to this day.
