can we tell dating employees that one of them has to leave

Aussie Teacher February 2, 2016 at 11:21 pm. Yes! This exactly! I work with 2 other women in a department. Our head of department is married to one of the women (they fell in love & got married while working here, have both been here for 7+ years and no one has addressed this issue).

Authority Equals Asskicking TV Tropes

There was some limited truth to this trope in medieval Europe and Japan, in societies where it was mandatory for all male nobles to train with weapons from an early age, and forbidden for all commoners, male or female, to own anything that they could possibly fight with (other than their farming tools).
