The Only 20 Parenting Books Worth Your Time

Parenting books, if they're worth their salt (and most aren't), tend to lead us back to ourselves and toward a reckoning with our own parentage. Stuff comes up. In this way, they're a lot like parenting itself: We want to shape our children into something other than our own image (something better).

10 Best Books for Thinking Parents Parenting

Since I read so many books, I thought you might like to know my very favorite books for parents. Are they parenting books? Maybe. I'd say they are books for thinking parents about kids. Read liberally. Ponder. Apply as needed. (Conversely, I detest books that promote formulaic ways of parenting - my children aren't robots; they're individuals. Formulas aren't for me.
