Freedom of religion Wikipedia

Freedom of religion is a principle that supports the freedom of an individual or community, in public or private, to manifest religion or belief in teaching, practice, worship, and observance.It also includes the freedom to change one's religion or beliefs. Freedom of religion is considered by many people and most of the nations to be a fundamental human right.

Modern history Wikipedia

Modern history, the modern period or the modern era, is the linear, global, historiographical approach to the time frame after post-classical history. Modern history can be further broken down into periods: The early modern period began approximately in the early 16th century; notable historical milestones included the European Renaissance, the Age of Discovery, and the Protestant Reformation.
