### **Education in the United States Wikipedia**

Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for K 12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine

**Is this School Heaven No it's Finland Lily's Blackboard**

Metaphor Alert: I have been to the mountaintop. I have trodden sacred ground. I have seen the light. I have been to Finland. It's the place where teachers go after they die if they've been good and taught the Whole Blessed Child; if they've rejected the hell of Obsessive Standardized Testing. It says something about the upside-down world we live in where we are called on to keep
