The Best Books for Dealing with Codependency a Best

This is a follow-up book to the next three books (below), which I used religiously as I recovered. It clears up misconceptions about codependency, identifies how codependent behavior has changed, and provides a new generation with a road map to stepping out of the victim roll forever.

Codependency What Are The Signs How To Overcome It

The book is more aimed at people who think they might be codependent, though, as it includes a number of actionable tips one can take to break their codependence. This is a great book for people who think they might be codependent but do not know much about codependency in the first place.
