Prayer Wikipedia

Prayer is an invocation or act that seeks to activate a rapport with an object of worship, typically a deity, through deliberate communication. In the narrow sense, the term refers to an act of supplication or intercession directed towards a deity, or a deified ancestor. More generally, prayer can also have the purpose of thanksgiving or praise, and in comparative religion is closely associated

What Medical Conditions Could Cause my Dog to Walk in Circles

It is more common for dogs to walk in circles before defecating. The reasons for this are unclear, although there are a number of theories. As with the pre-sleeping routine, the animal may be checking for predators, as it is vulnerable at these times, or it may relate to trampling down tall vegetation for cleanliness.
