### **Cubby hole Wikipedia**

A cubby-hole, cubby-house or cubby is a small play house, or play area, for children. This may be constructed by the children themselves and used as a place of play. Autistic children are especially fond of such places. Children may have a small shed, play-house or tent which they use as a cubby-house. Children might build their own in various places in the house or garden, or have a pre

### **Priest hole Wikipedia**

A priest hole is a hiding place for a priest built into many of the principal Catholic houses of England during the period when Catholics were persecuted by law in England. When Queen Elizabeth I came to the throne in 1558, there were several Catholic plots designed to remove her and severe measures were taken against Catholic priests. Many great houses had a priest hole built so that the
