Custom Checkering

Thank you for taking an interest in Custom Checkering by Sherry Abraham and thank you for visiting my site. Please feel free to browse the links off to the left and if I left anything out, please feel free to ask any questions you may have. Checkering is an old and interesting art. I began checkering in 1988.

checkering samples patterns Custom Diamonds

custom checkering & wood engraving is of our own design and original style. All checkering patterns are individually fit to each gun stock. So every pattern can be adjusted to fit the custom dimensions of your stock. The checkering diamonds are cut straight and clean for a smooth finish. This will allow the wood grain to shine through. All wood

Checkering Brian M Dudley Gunstock Craftsman

Checkering is the process of cutting a series of evenly spaced lines that intersect at a set angle. The spacing of the lines determines how fine the checkering is. The deepening of the lines results in a series of fully pointed diamonds, which add the finishing touch to any stock.
