We Are Water by Wally Lamb

Wally Lamb's latest offering "WE ARE WATER" has more in common with his last novel "THE HOUR I FIRST BELIEVED" than with his earlier works, which I loved. With WE ARE WATER Lamb has once again used the shotgun approach to his subject matter, firing at a wide range of topics and hoping something would hit the target.

In We Are Water, Lamb returns to his familiar setting of Three Rivers. The novel focuses on art, 1950s-era racial strife, and the impact of a devastating flood on a Connecticut family.
