## RELATED BOOK :

### **The Distant Hours Kate Morton**

THE DISTANT HOURS. Edie Burchill and her mother have never been close, but when a long-lost letter arrives one Sunday afternoon with the return address of Milderhurst Castle, Kent, printed on its envelope, Edie begins to suspect that her mother's emotional distance masks an old secret.

### **The Distant Hours by Kate Morton**

The Distant Hours is packed full of unnecessary detail and description. On and on it goes, page after page of long-winded waffle, page after page of no dialogue, no action and I adored Kate Morton's The House At Riverton and The Forgotten Garden, giving them both 5 stars, but delayed reading The Distant Hours after hearing so many bad reviews about it from people who, like me, loved those earlier books.

### **The Distant Hours Kate Morton Caroline Lee**

I just finished The Distant Hours, my second within a couple of weeks by Kate Morton. I just find that I have so much admiration for this writer. The plots, the writing, the suspense, keeping the whole thing tied together while skipping from character to character, location to location, time period to time period.

### **Behind The Distant Hours Kate Morton**

The Distant Hours took ten months to write, beginning to end, with another three months of intensive editing and rewriting. Thankfully I'd already done lots of research on Kent and the Second World War for the poor, abandoned project that still lies at the bottom of my cupboard.

### **The Distant Hours Audiobook by Kate Morton Audible com**

Kate Morton crafts her language, and I savored her almost poetic descriptions of Milderhurst Castle. I loved that she took the time to tell the story properly, having faith that the reader would prefer quality over pace. When something is as beautiful as "The Distant Hours", I'd really rather not be rushed.

### **The Distant Hours Quotes by Kate Morton**

The Distant Hours Quotes. My fingers positively itched to drift at length along their spines, to arrive at one whose lure I could not pass, to pluck it down, to inch it open, then to close my eyes and inhale the soul-sparking scent of old and literate dust. Kate Morton , The Distant Hours.
