### **All I Really Need to Know I Learned in Kindergarten**

All I Really Need To Know I Learned in Kindergarten is a book of short essays by American minister and author Robert Fulghum. It was first published in 1986. The title of the book is taken from the first essay in the volume, in which Fulghum lists lessons normally learned in American kindergarten classrooms and explains how the world would be improved if adults adhered to the same basic rules

### **6 Lies About the Body You Learned in Kindergarten Classic**

It's also worth noting that this sense your kindergarten teacher failed to mention can operate like a freaking superpower. For instance, if you're walking in the woods and a bear growls in the bushes behind you and to your left, the bear's growl hits your left ear a millionth of a second before it hits your right.
