Amy Cuddy Your body language may shape who you are TED Talk

Body language affects how others see us, but it may also change how we see ourselves. Social psychologist Amy Cuddy argues that "power posing" standing in a posture of confidence, even when we don't feel confident can boost feelings of confidence, and might have an impact on our chances for success. NOTE: Some of the findings presented in this talk have been referenced in an ongoing

English language Wikipedia

English is an Indo-European language, and belongs to the West Germanic group of the Germanic languages. Old English originated from a Germanic tribal and linguistic continuum along the coast of the North Sea, whose languages are now known as the Anglo-Frisian subgroup within West Germanic. As such, the modern Frisian languages are the closest living relatives of Modern English.
