Amazon com Customer reviews Foundation's Edge

Foundation's Edge (Foundation Novels) is the immediate sequel to the Foundation Trilogy, written some 30 years after the original series. The first two thirds of the story renews the jealous pursuit of the Second Foundation by the First. Woven in nice counterpoint, the Second Foundation finds itself in a crisis.

Edge connector Wikipedia

An edge connector is the portion of a printed circuit board (PCB) consisting of traces leading to the edge of the board that are intended to plug into a matching socket. The edge connector is a money-saving device because it only requires a single discrete female connector (the male connector is formed out of the edge of the PCB), and they also tend to be fairly robust and durable.
