Switching to Biofinity from Air Optix Night and Day Lens 101

Hi I've been wearing contacts for years with no problems and I had been using Air Optix Night and Day for six months (30 days extended wear) before I decided to try out Biofinity. Air Optix were good, with only minor annoyances appearing just before I decided to switch. At the end, I got occasional dryness and on few occasions it felt as if the lens was going to fall out.
