Community The Structure of Belonging by Peter Block

Whether it is a spiritual form of community or simply a gathering of friends with a common interest, community is accurately defined as a group of people that belong to one another. Peter Block has structured this text as a way for us to engage our understanding of how we gather as people in a neighborhood or town.

Community Quotes by Peter Block

Peter Block, *Community: The Structure of Belonging*. 0 likes. Like Individual transformation is the more popular conversation, and the choice not to focus on it [in this book] is because we have already learned that the transformation of large numbers of individuals does not result in the transformation of communities. If we continue to
