Nuns Behaving Badly Weird Universe

So, are we to be shocked that nuns in that era had libidos, or wanted a little social freedom? How about that priestly abstinence back then meant only an abstinence from marriage? The last few centuries have bastardized those notions, and somehow instilled the idea that the clergy are above human nature.

Amazon com Customer reviews Nuns Behaving Badly Tales

This is a book that was an okay read. Some of the chapters were interesting about the activities of Nuns in convents; however, this was not an easy book to read because of the very small type. Nuns Behaving Badly by Craig A. Monson was published some time ago and to be honest, I did not find it to be a compelling read.
