How to Raise a Pig for Meat Countryside

The meat from our pig is wonderful. Before we learned how to raise a pig for meat, we tended to eat beef and chicken. But our own pork is better than any meat, of any kind, that we have ever eaten. Even though our pig was a little larger than the optimal weight, the meat tends to be on the lean side.

5 Things I Learned the Hard Way While Raising Pigs

The biggest lesson I learned about raising pigs is to take out a loan to build bomb-proof fencing before you even think about bringing one home. The head of a pig is built for digging into the earth and is strong enough to uproot small trees, boulders, and almost any fence they can get their snout under.

Keeping and Caring for a Pet Guinea Pig

The guinea pig should be alert and active. Avoid a guinea pig this panicky when handled, especially if it does not relax quickly. Avoid a guinea pig that is overly quiet and calm (it may be ill). Avoid a guinea pig that is either overly skinny or grossly overweight. The body should be firm and rounded.
