Cookie Wikipedia

Cookies are most commonly baked until crisp or just long enough that they remain soft, but some kinds of cookies are not baked at all. Cookies are made in a wide variety of styles, using an array of ingredients including sugars, spices, chocolate, butter, peanut butter, nuts, or dried fruits. The softness of the cookie may depend on how long it is baked.

A Dash of Compassion Chickpea cookie dough balls

I've been on a chickpea thing lately. You know, that thing where you want them all the time? I put them on my salads, make all kinds of hummus (duh), add them to veggie curries, make cookies, eat them straight up (am I the only one?). I thought about ways to make a fun, portable snack, and then it hit me: cookie dough balls!
