Storytelling Wikipedia

Storytelling is a means for sharing and interpreting experiences. Peter L. Berger says human life is narratively rooted, humans construct their lives and shape their world into homes in terms of these groundings and memories. Stories are universal in that they can bridge cultural, linguistic and age-related divides.

Is it Okay for Parents Give the Silent Treatment to Children

As I ve mentioned before, I like to look at the search terms people use to find this site. I ve noticed that people regularly search about whether to give their children the silent treatment.. I have a very strong opinion about this, and feel that parents should never give their children the silent treatment.
