RELATED BOOK :

The Wind in the Willows by Kenneth Grahame Goodreads

Trying to review The Wind in the Willows is a strange undertaking. In the introduction to my copy, A. A. Milne wrote: "One can argue over the merits of most books one does not argue about The Wind in the Willows. The young man gives it to the girl with whom he is in love, and if she does not like it, he asks her to return his letters.

The Wind in the Willows Barnes Noble Classics Series

Although Kenneth Grahame wrote The Wind in the Willows as a children's story, the book has something to offer adult readers as well. I personally enjoyed the excellent portrayal of such familiar characters as the mole, the badger, and Mr. Toad, as well as Grahame's charming plot and pervasive humor.

The Wind in the Willows Book Review Common Sense Media

Parents need to know that the beautifully written, richly inventive adventures chronicled in Kenneth Grahame's The Wind in the Willows are best for children with patience. Kids may be more familiar with TV and film versions based on the original book. There's a bit of violence when Toad gets into a fight with the ferrets and weasels.

The Wind in the Willows Free PDF ebook epub Global Grey

Book Description: The Wind in the Willows is a classic of children s literature, first published in 1908. Alternately slow moving and fast paced, it focuses on four anthropomorphised animal characters in a pastoral version of England.

The Wind in the Willows Isn't Really a Children's Book

Like all these books, The Wind in the Willows grew in the writing and ended up as something quite different from, and something much more complex than, a bedtime story. But whereas Alice s Adventures is a children s book that can be read by adults, The Wind in the Willows is an adult s book that can be read by children.

'The Wind in Willows' Book Review ThoughtCo

The Wind in the Willows is a children's story that lives in the hearts and minds of its readers well into adulthood. With its subtle blend of anthropomorphism and very-British humor, the book is a classic tale of river life and friendship.
