St Francis of Assisi Dover Philosophical Classics G K

This book is more about the depth of Christian belief than the life of the Saint and because of the soulfulness of Chesterton's prose makes much of what is said about St Francis seem superficial. Reading another biography of St Francis first may be helpful in more fully understanding this book.

St Francis of Assisi by G K Chesterton Paperback

As St. Francis of Assisi was one of the primary influences on Chesterton's decision to convert to Roman Catholicism (Chesterton once described his conversion as being largely due to wanting to belong to the same institution that had produced St. Francis), it makes sense that Chesterton would devote considerable energies toward this biography.
