I loved that while A Kiss In Time (obviously) had similarities to Sleeping Beauty, it was also very different! There were many times I laughed out loud while listening to this book. Maybe it was the way the narrators (who were great, by the way) read the story, but I loved how hilarious A Kiss In Time was at times.

A Kiss In Time is a great retelling of Sleeping Beauty set in today's society. It was definitely not exactly what I expected but still a very good story. I would recommend this book for any fans of Beastly or even possibly the Princess Diaries.

Book Review A Kiss in Time by Alex Flinn Pajiba

While I didn't in any way dislike A Kiss in Time, it was nowhere near as good, and struggles a bit to make the story plausible. The change in the characters happens a little bit too fast, and a little too neatly, for it to be entirely satisfying.
