The Rule of Law Is Disappearing Millennial Politics

The rule of law is disappearing before our eyes. And then she posted a column she d written in July of 2017, which warned of these ominous times. It s so very Trump, for whom all this is a game, to rage from his pulpit on a day of great victory for the American people.

The Rules For Disappearing by Ashley Elston Book Review

The Rules For Disappearing was a book that I enjoyed but ultimately didn t finish as strong for me. It made a great gym read for me because of the mystery and the building suspense. I was invested in Meg and her family and finding out the reasons for why they were thrust into the Witness Protection Program but as the why s started being

Reading Teen The Rules for Disappearing by Ashley Elston

The Rules for Disappearing has romance, it has mystery, and a little bit of action. I think they could have added a little more tension or variation, but even so I really liked it. I have never read a book about someone in witness protection and it totally fit the bill for a fresh quality mystery/intrigue novel.
