Beautiful Darkness was a great sequel!!!! I fell in love with this book just like Beautiful Creatures. Of course, it left off on a cliffhanger, but at least I only have to wait until October to read Beautiful Chaos. Beautiful Darkness is another book that took me on a roller coaster ride. I could not figure out how it was going to end.

Beautiful Darkness Beautiful Creatures Series 2 by Kami

Most Helpful Customer Reviews. I tend to be a bit weary of 2nd books in series because most tend to fo the 'New Moon' route (i.e. major love character leaves, tons of angst, boring plot line, etc.) Beautiful Darkness throws you through so many loops, angles and mysterious corners that you have no time to get bored whatsoever.

Beautiful Darkness Audiobook by Kami Garcia Margaret

Would you try another book from Kami Garcia and Margaret Stohl and/or Kevin T. Collins? I had actually read Beautiful Creatures, the first book in this series. So I was expecting a good story out of Beautiful Darkness. But I did not find it to be so. There was way too much whining and not much action thru the entire first half of the story.
