The Little Mouse the Red Ripe Strawberry and the Big

This book is written in the form of a narrator talking directly to the main character, the little mouse. (Spoiler alert - there probably isn't really a bear.) Very cute, very simple - each page has only one or two lines on it - and some clever illustrations (one one page, the mouse disguises his strawberry in a pair of fake glasses with a nose). Only thing is that this book has been abridged
