### **Persepolis comics Wikipedia**

Persepolis is a graphic autobiography by Marjane Satrapi that depicts her childhood up to her early adult years in Iran during and after the Islamic Revolution. Persepolis is a reminder of the precarity of survival in political and social situations. The title is a reference to the ancient capital of the Persian Empire, Persepolis. Originally published in French, the graphic novel has

### **Persepolis 2007 IMDb**

I rated this film a 9 more as a visual complement to the comic book (of two volumes, now bound as one), which I believe to be a masterpiece. If you left the film less than emotionally attached to the characters, PLEASE give the book a chance, because, as is often the case, episodes and histories of a lot of the characters, including Marjane, are left out to adapt the story to a film medium.
