Apology by Plato

Not much time will be gained, O Athenians, in return for the evil name which you will get from the detractors of the city, who will say that you killed Socrates, a wise man; for they will call me wise, even although I am not wise, when they want to reproach you.

Genius Loci TV Tropes

Some people are places. A Genius Loci is a location with a mind. A sentient planet, country, island, city, or street. Obviously, this is more common in science fiction and fantasy, though a certain amount of animism in otherwise realistic series isn't unknown, and it may be only suggested.. Usually, the Genius Loci has some control over its own form, and uses that control to communicate with
