nourishing obscurity

This might go on for awhile. As topics were added, I looked at the heading and thought it was still relevant. Song. Using song to make a statement or back a statement up can be useful to a point but in the end, it's someone else's vision and so he or she incorporates things with which you may not agree.

Gutsy

Intestinal dysmotility definition. First things first, what exactly is intestinal dysmotility? Dysmotility is a condition in which muscles of the digestive system become impaired and changes in the speed, strength or coordination in the digestive organs occurs. In the normal small intestine, liquefied food and secretions including digestive enzymes are pushed onwards by waves of muscular
