### **Chasing Fire by Nora Roberts Goodreads Share book**

Chasing Fire is about a female fire jumper, a murder mystery, and a romance with a rookie fire jumper. You'll figure out the murderer quickly so don't read it from a murder mystery standpoint. This book missed the mark.

### **Chasing Fire Fire and Fury Book One by Avery Kingston**

Chasing Fire was a quick read which I appreciate as a busy mom. I would have loved to know more about Tori and Scott's past, but the story itself was fun and sad at times. I look forward to the next book in the series, Smoke and Mirrors.

**Chasing Fire by Nora Roberts Paperback Barnes Noble**

Chasing Fire is a very good read. The story line is new one that Nora Roberts explored. Roberts did a very thorough research about smoke jumpers and she portrayed them in a way that I would be able to understand their angst, tribulations, and success when they fought and extinguish a fire.
