Healthy Food for Kids HelpGuide org

Avoid foods that impair your child's mood. A diet high in processed foods, such as fried food, sweet desserts, sugary snacks, refined flour and cereals can increase the risk for anxiety and depression in kids.; Kids who drink four or more cups of soda or sweetened fruit drinks a day including diet versions have a higher risk for depression.

Food Wikipedia

Camping food includes ingredients used to prepare food suitable for backcountry camping and backpacking. The foods differ substantially from the ingredients found in a typical home kitchen. The primary differences relate to campers' and backpackers' special needs for foods that have appropriate cooking time, perishability, weight, and nutritional content.
