Traditional Chinese Medicine TCM All Natural Vet Care

What is Traditional Chinese Medicine (TCM)? Traditional Chinese Medicine is a system of treatment which includes acupuncture, nutrition, breathing techniques, exercise techniques (Qigong), specialised massage called Tui Na, and TCM herbs. Although acupuncture has been used to treat animals for thousands of years, the use of TCM herbs in veterinary medicine only really started in the last century.

Food Allergy Symptoms Rash Treatment Tests

A food allergy is an immune-mediated adverse reaction to a particular food. For someone with a food allergy, eating or swallowing even a tiny amount of a particular food can cause symptoms such as skin rash, nausea, vomiting, cramping, and diarrhea. Because the body is reacting to something that is otherwise harmless, this type of allergic reaction is often called a hypersensitivity reaction.
