Healing vs Transformation Reconnective Healing with

This week's musing is about healing vs. transformation. I'm finding many people are stuck on the physical healing aspect, not realizing that healing is about getting blocked energy unstuck whether it is blocked energy in tissue, the blocked energy of emotion, or blocked energy in our meridians or chakras or spiritual/consciousness blocks.

Lectionary Liturgies

Liturgies based on the RCL readings for each Sunday of the church year. I post these for folks to use in worship, as they deem appropriate. If you use these posted liturgies on a regular basis, I hope you might consider making a modest donation to my writing ministry.

The Advantage Of Being A Late Bloomer Return Of Kings

The other day I made the mistake of going on my fake Facebook account and looking up some people I went to high school with. I put on a playlist of all the music I was listening to back then to get me in a nostalgic mood.

The Shamanic View of Mental Illness JaysonGaddis.com

Well done, your article was so well executed. It will hopefully open a few more minds out there to take note and start approaching this issue from a different perspective and action new methods, because the ones they have in place now are so totally backward, it really makes you wonder what happens to most of the people out there who have experienced this phenomenon.

Languages of Singapore Wikipedia

Although de jure Malay is the national language, Singapore English is regarded de facto as the main language in Singapore, and is officially the main language of instruction in all school subjects except for Mother Tongue lessons in Singapore's education system. It is also the common language of the administration, and is promoted as an important language for international business.
